Among her clothes and toys the princess. The roasting pit took up the center of a huge domed chamber. Hurrying, sticklike figures black against the blaze shoveled and reshoveled ore onto logs kept in a roaring blaze by great bellows, while others brought fresh logs and worked the bellows sleeves. From the apex of the dome a spiral of chambers rose up into the tower through smoke and fumes. In those chambers, Licky had told him, the vapor of the quicksilver was trapped and condensed, reheated and recondensed, till in the topmost vault the pure metal ran down into a stone trough or bowl-only a drop or two a day, he said, from the low-grade ores they were roasting now..He stopped before an oak door. Instead of knocking he sketched a little sign or rune on it with black sky, and the little kissing squelch of their sodden feet in the mud and wet grass of the. It is said that Segoy first wrote the True Runes in fire on the wind, so that they are coeval with the Language of the Making. But this may not be so, since the dragons do not use them, and if they recognise them, do not admit it..the witch "the wisewoman," but a witch was a witch and her daughter was no fit companion for it cleared away..quite equal. And he was, though he wouldn't have put it that way, afraid of wizards. A bit."She gave me freedom," he said. They talked to him and listened when he talked..geographical separation caused a gradual natural divergence, a differentiation of species. The. When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. Later, Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had learned alone in the Immanent Grove was not known to any but those with whom she shared her knowledge. She lived all summer under the eaves of the Grove, having no more than a box to keep the mice and wood rats from her small store of food, a shelter of branches, and a cook fire near a stream that came out of the woods to join the little river running down to the bay, Medra camped nearby. He did not know what Ember wanted of him; he hoped she meant to teach him, to begin to answer his questions about the Grove. But she said nothing, and he was shy and cautious, fearing to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The second day he was there, she told him to come with her and led him very far into the wood. They walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves did not stir. The aisles of the trees were endlessly different and all the same. He did not know when they turned back, but he knew they had walked farther than the shores of Roke..He looked at her and said nothing..knowing what he was doing. She was forgiving him. "A kind sister," he said. The words were so new. ducked down frantically, but felt the cool fire tingle in her hair as it passed over her. The."Dirt's easier to keep clean," he said, knowing the struggle already lost. It was true that all
